

### ADDENDUM — "AS IS" SALE

To Agreement dated \_\_\_\_\_ between \_\_\_\_\_, Seller, and \_\_\_\_\_, Buyer, concerning property commonly known as \_\_\_\_\_ ("Property").

The Property being sold is not new and neither Seller nor Seller's agent warrant the condition of the property, which is sold in its present "AS IS" condition. Buyer understands and agrees that Seller, his or her agents or assigns, will not, prior or subsequent to close of escrow, be responsible for the repair, replacement, or modification of any deficiencies, malfunctions or mechanical defects in the material, workmanship, or mechanical components of the structures, improvements, or land, including but not limited to: heating, plumbing, electrical or sewage disposal system, well or other water supply system, drainage or moisture conditions, foundations, air conditioning, hot water heater, pools, spas, solar systems, appliances, roof, or damage by or presence of pests, mold, or other organisms. **This provision supersedes all other provisions in the Purchase Agreement regarding the condition of the Property** (except those relating to destruction of improvements, risk of loss, compliance with local laws applicable to the sale or transfer of property, and leaving property free of debris and personal property). However, Seller agrees the Property (including all structures, pool, spa, grounds and landscaping) will be maintained and delivered to Buyer at close of escrow in the same or better condition than as of the date of acceptance or, if there is an inspection contingency, as of the time the inspection contingency is removed.

Buyer has been advised to carefully inspect the Property personally, and to obtain inspection reports from qualified experts regarding all systems and features of the Property including boundary lines, lot and dwelling size, roof, plumbing, electrical, appliances, sewers, septic system, soil conditions, foundation, heating, air conditioning, structural components, pool and related equipment, and any possible environmental hazards, pest, or mold infestation or infection.

Seller agrees to permit Buyer and Buyer's representatives reasonable access to the Property to complete the inspections.

Buyer will notify Seller in writing, within the inspection contingency period specified in the purchase agreement (or, if not specified, within 10 days from date of acceptance) that the condition of the Property is either acceptable or unacceptable. If the Buyer finds the Property acceptable, Buyer agrees to take the Property in its present "AS IS" condition as of the time the inspection condition is satisfied. Should Buyer find the Property unacceptable, the Buyer has the option of terminating the Purchase Agreement.

Buyer is not relying upon Seller or Seller's agent to investigate and report on the condition of the Property other than conditions known by the Seller or Seller's agent and noted on any disclosure statements that have been provided. In all other respects, Buyer agrees that he or she is relying exclusively upon Buyer's own inspection and that of experts retained by Buyer as to the condition of the physical features of the Property and location of the boundary lines.

The parties understand that, even though this is an "AS IS" sale, the Seller is obligated by law to reveal all known defects of a material nature of which the Seller is aware. The parties do not intend by this Addendum to waive any provision of the law requiring that the Seller or the agents furnish disclosure statements, nor do the parties intend to waive any provisions of local laws requiring inspections or reports.
