

"Working together as a TEAM we can make THINGS HAPPEN!"

We understand that all you want to know is what a company can offer you, and what makes them the best. Here is a straightforward list of reasons why you should join Valleywide Premier Properties.

- NO FEES!
 - The **bottom line** is that you will never, ever, contribute a single dime to VWPP unless you actually sell real estate. We have absolutely no start-up fees, no application fees, no monthly or annual fees, and no "national/ franchise" fees. In fact, we don't even have office fees for the overhead that we provide for you. In other words, we don't make money unless you make money.
- FREE, QUALITY TRAINING!
 - Some agencies will charge you before they will train you. Not VWPP. Our training takes place in small groups where you will receive personal, one-on-one attention from brokers and actual company owners.
- FREE, HANDS-ON MENTORING!
 - At VWPP, we do not require you to join a team and share your commissions with a "team leader" in order to receive mentoring. Our mentors are all experienced sales agents who actually have ownership in the company. Nowhere else will you find free personal mentoring, available at all hours of the day AND night, from actual owners.
- FREE LEAD GENERATION AND CAPTURE SYSTEM!
 - This telephone and Internet based lead capture system will generate leads at an unbelievable rate! When you visit us we'll give you a live demonstration.
- INCOME SHARING!
 - You can earn an impressive passive income with our income-sharing program. Income sharing is better than "profit" sharing that is offered by some other agencies.
- **GREAT COMMISSION PROGRAM WITH EXTREMELY LOW CAP! OUR AGENTS KEEP 100% OF THEIR COMMISSIONS AFTER ONLY A HANDFUL OF SALES!!! HONESTLY!**
 - One of the most awesome things of all that VWPP offers its agents is a *limit*, or "cap," on the amount of commission agents contribute to VWPP! This contribution is NOT a required minimum-but rather a maximum. When it's reached our agents keep 100% of their commissions thereafter! Typically it takes only 4-6 sales to reach this cap! In fact, some agents cap after one sale!!
 - Call our hotline and listen to our free message to find out how our commission program is second to none in the valley!
