

The State & Local Government Budget Crisis It's IMPAC on Real Estate and REALTOR® ADVOCACY

A Regional Outreach Presented by C.A.R.'s Government Affairs Program
With Alex Creel, C.A.R.'s Senior Vice President of Government Affairs
And Rick Laezman, C.A.R.'s Director of Local Government and Legislative Communications.

The REALTOR® Associations of REGION 31 are proud to announce a special presentation and discussion with C.A.R.'s Government Affairs Team to outline the crisis in funding facing state and local governments in California, how this affects REALTOR® advocacy at the local level, and how C.A.R. can help.

As local governments continue to feel the effects of decreasing state funding, they will be turning to a variety of cost-cutting and revenue-raising measures to help them fill an ever widening resource gap.

Issues like business license taxes, parcel taxes, assessments, enhanced enforcement of sign ordinances, reduced service hours, and others will directly impact real estate and property ownership.

Alex Creel and Rick Laezman will spend time discussing these issues and highlighting the resources that C.A.R. has available to help REALTORS prepare locally to protect themselves from these potentially onerous policies.

This is vital to your business! Please make time in your busy schedules to attend!
