“Etiquette for the Age of Engage”

A three hour continuing education course for the purpose of explaining ethics and etiquette in the age of engage enabling its students to ensure that the standards set forth in the Code of Ethics and Commissioner's Standards are upheld regardless of the medium used. Subjects to be discussed include: The virtual world **IS** part of the real world, how etiquette relates to ethics, a review of complaints filed in 2008, review of the Code of Ethics and Commissioner's Rules pertaining to online interaction, and how to be social online without being the target of an ethics complaint.
