Wes & Kerrie Constance

Vernonia Flood Victims

During our service projects this summer, PCC adopted a family in Vernonia that was hit the hardest by the 2007 floods. Wes & Kerrie Constance lost everything in the flood, including Wes's automotive shop. They have been living in a mold infested single wide trailer someone gave to them while they try to put their lives back together.

In addition to the flooding, the couple has many health challenges and each is facing an upcoming surgery this winter which could set them back financially even further.

YOU CAN HELP!

On October 31st, the Constance's will have the opportunity for a new start. A newer double-wide home has been secured for them; however they are short about \$20,000 to close on the home and get it moved from the old location.

If you would like to bless this couple and minister to their broken hearts, please consider a tax-deductible financial donation. Donations can be made to [Portland Christian Center \(PCC\)](#) – mark the donation “[Vernonia Project](#)”

If you are not in a position to make a financial donation, please consider helping in other areas. We are collecting gently used household items, machine shop tools to get Wes's automotive business re-opened, frozen meals (either homemade or bought), and pet food. We also need folks who can do light maintenance to get the home ready for move-in. Contact Linda Eaton at (503) 267-2066 or email linda@lindaeaton.com Visit <http://www.lindaeaton.com> / Vernonia Project to read the couples story.

Household Items Needed - Move in Date – Nov 16th

Kerrie expressed that she likes the western/rustic look of furniture, in shades of brown, tan, and gold, with wrought iron accents and accessories. Wood preference is oak color. Because of their back and joint problems, furniture needs to be large and supportive. Material needs to be easy to clean-pet hair. Kerrie loves daisy's and would love to have a bright golden yellow kitchen with daisy accents.

Remember – they have lost everything. The items they are using now are contaminated from the flood and they can not bring them into the new house, so anything and everything you have is desperately needed.

We are also looking for Gift Certificates for shopping at the following locations: Target, Ross, Bed/Bath/Beyond or Home Goods and Furniture Outlet.
