

Look Who's Talking!

Bonnie is the exclusive agent for sales for Fine Homes & Estates, a small private company investing and developing in the real estate market with a typical market value inventory of homes in excess of \$8,000,000. We list and sell homes **only** with Bonnie Dillon and her team. **Her ethics, integrity, knowledge and performance are the most respected and trusted of anyone we have ever worked with.** It is an absolute honor to be represented by Bonnie. We could not feel more strongly about Bonnie, and rest comfortably that we are extremely well represented. **Once you have Bonnie representing you, you have the best.**

We have bought and sold many homes over the years and this transaction was by far the easiest and most enjoyable one yet. We never made one call to your office. **You and your staff kept in constant communication and guided us through the entire process effortlessly.** Many years ago I worked in the real estate industry and in all my years associated with home sales I have never witnessed a team more cohesive and professional as yours. I would never consider buying or selling another property without your representation as **I now know that all real estate agents are not created equal.**

Dear Bonnie, Tom, and associates:

We would like to thank all of you for the hard work and patience in selling our home and helping us purchase another home. We did some re-modeling after we moved in and your help continued on for months. I know how busy all of you are and **you made us feel that we were the only clients you had.** We found out through much research that the loan your associates supplied to us was one of the best around. This was a first for us after buying homes before. We felt we were thought of first and not the money. Thanks again for showing us what great people of integrity all of you are!

I would like to thank Bonnie Dillon of Keller Williams Realty who made the most stressful situation a wonderful and rewarding experience. **Her keen professionalism, encyclopedia-like resourcefulness and admirable tact helped my husband and me** navigate smoothly through the maze of financing, negotiating and closing.

Dear "Team"-- It is obvious each of you takes pride in your job! We want to thank you all for your help and professionalism (as well as your patience) as we moved from "buyer" to "seller". **Your quick response to our questions/issues (no matter how small) always made us feel you cared;** we really appreciated it. We could always count on a smile from each of you (and sometimes we really needed one)! Thanks!

You and your team are the best in town. Bonnie- now I know what you meant when you said getting a contract is only the first step. **You guided us through all the mine fields. We couldn't be happier!**

We chose Bonnie over 4 other realtors because of her knowledge of the luxury market and **because she has the best website of any Realtor in town.** She really knows how to showcase a home!

We asked Bonnie to list our home because she knows our neighborhood and **we knew she would be a bulldog and get our house sold** (we mean that as a compliment by the way).

While our house was listed during a very turbulent time in the Phoenix housing market, your good counsel and emotional support enabled us to transcend the challenges and, ultimately, receive an excellent price for our house. **You provided us with excellent information and guidance during the entire selling process.**

Bonnie represented me on the sale of my home. She and her entire staff make you feel as though you are her only clients. She pays attention to detail and knows how to show and prepare a home for sale. Her marketing technique works extremely well.

Looking back, **who would believe that we would get the job done so fast under these trying Real Estate conditions.** It took a lot of hard work, patience and perseverance. I sincerely appreciate the fine work of everyone connected with Bonnie Dillon Team. Thanks again,
