

8,000 REASONS FOR YOU TO GET OFF THE FENCE.

There's never been a better time to buy a home.

That's because, thanks to the efforts of the NATIONAL ASSOCIATION OF REALTORS[®], Congress is now offering a new **\$8,000 tax credit** to help first-time homebuyers, like yourself, purchase a home.

If you qualify and buy a principal residence before December 1, 2009, then you're eligible for the credit—allowing you to deduct 10% of the purchase price of your home up to \$8,000 when you file your taxes. Visit www.HousingMarketFacts.com for more information.

So, why wait? Please contact us for more information about this can't-miss opportunity.
