Trivia Contest

Answer both of the brain teasers below and you could be this month's trivia winner?

Looking at a usual clock, how many times does the minute hand pass the hour hand between midday and midnight?

What starts out on 4 legs, then goes to 2, then finally 3?

Landscape

We are moving into Spring and it is time to spruce up your yard, garden or possibly add a water feature. Curb appeal is very important when determining the value of home, so if you need expert advice on your landscape, we work closely with ThomasBly Landscapes. They can design and build whatever you are dreaming of for your outdoor oasis.

Special offer – Mention you saw the Thomas Bly phone number in this newsletter and they will discount 20% off of installations over \$1,000.00 of select native plants including vine maple trees and wild roses. Offer ENDS MAY 31, 2006. Contact Sue Hicks, Horticulturist at Thomas Bly Landscapes, Inc. 503-632-1760 for a no charge consultation or for more information go to www.ThomasBly.com.
