Real Estate Facts

AARP calls Portland's lifestyle vibe, "European charm meets environmental nirvana." Portland, with a median house price of \$280,800, has a community-wide commitment to transportation, evidenced by its excellent bus and light-rail systems and miles of safe bike lanes. Retirees especially love Portland's Pearl District with its great restaurants, movie theaters and parks. Not even Portland's 155 days of annual precipitation could keep 12,000 people, ages 55 and over, from moving into the city in 2006.

Trivia Contest

Outside of the Presidency, what is the highest American political office?

Real Estate Tips

Bathrooms sell houses, but dated tile in a bathroom doesn't. A low-cost alternative to replacing the tile is to use paint. First coat the tiles with a high-adhesion primer. Next, brush on a special ceramic epoxy covering. For a fraction of the cost of new tile, you will have an up-to-date bathroom that brings in big bucks.
