

## **Home Inspection Companies**

**Coldwell Banker does not make any recommendation regarding the choice of an inspection be performed, to verify the condition of the home that you are purchasing. We also recommend that you make inquiries of any inspector you contact as to his errors and omissions insurance coverage, whether or not he has a contractor's license and if he is a member of ASHI or CREA (which are professional association for home inspectors).**

**The following is a list of inspection companies that work in our market area:**
