Please use spaces below to describe why this member should be considered for this award. Use additional pages if necessary.

Our members do many benevolent acts in the community for eachother. This Silver Box program was begun nationally because so often we fail to recognize the good deeds done in our lives by others. Too often we look back and say "I wish I had..." The Special Awards Committee expects to get at least one nomination from each real estate office. Please make sure your nomination gets in! Make it your responsibility and it will get done!
