

ATTENTION BROKERS & AGENTS:

Does your Office Professional (office manager, secretary, receptionist, bookkeeper, etc.) go above and beyond the call of duty to assist you in your office? Perhaps they help with closing transactions, finding some essential information you needed or assisting a client in great detail while you were

unavailable. Whatever he or she has done that could be considered over and above what is generally expected, we would like to know about it.

Send in the nomination form explaining in great detail the impact that your assistant has made. This form can be found on the Metro South web site:

www.msar.org. The Special Awards Committee

***will recognize the top three Assistants
that are chosen. Please fax the
nomination forms to the board office at
770-477-0267 by no later than April 8,
2004.***
