WHAT IS THE LA QUINTA RESIDENT CARD?

It is a card that provides discount golf rates for La Quinta residents at the City's SilverRock Resort golf course.

WHERE CAN I GET MY LA QUINTA RESIDENT CARD?

You may purchase it at La Quinta City Hall, at the Community Services Department, for \$15.00, Monday through Friday, 8:00 a.m. to 5:00 p.m. Please call 777-7090 to schedule an appointment. La Quinta Resident Cards will not be issued at SilverRock Resort.

WHAT DEFINES RESIDENCY?

Residency is determined by a person's primary residence according to the California Vehicle Code, Section 1205 or proof of ownership of a residential dwelling in La Quinta as supported by a Riverside County Tax Assessor record. You must also provide a utility bill for that address in your name. La Quinta Resident Cards will only be issued to individuals who provide proof of residency.

Please note: Commercial property ownership, vacant residential property ownership, or employment in the City of La Quinta does not qualify an individual for a La Quinta Resident Card.

HOW DO I PROVE RESIDENCY?

The following pieces of information are needed:

1. A current California Driver's License (CDL) or current California Identification Card (CID) issued by the California Department of Motor Vehicles (DMV) with a La Quinta address; **OR**

A current Riverside County Tax Assessor record with a La Quinta address residential dwelling unit identified and a photo identification with the same name as the tax record; **AND**

2. A current utility bill with the same name and address as the CDL, CID and Riverside County Tax Assessor record address.

No exceptions to the above proof of residency will be accepted.

If you have moved to La Quinta and your CDL does not reflect your La Quinta address, you may use the change of address card you received from the DMV with the La Quinta address as proof of residency along with your CDL or current tax record and a utility bill.

HOW DO OTHERS IN MY HOME PROVE RESIDENCY?

A spouse must show a CDL or CID with a La Quinta address or change of address card issued by the DMV with the La Quinta address, or be listed on the residential property tax record. The utility bill of his/her spouse is acceptable but it must reflect the same last name and last year's tax return with both names and the La Quinta address listed. If last names are different, a marriage certificate is required. If both last names appear on the utility bill, both may receive La Quinta Resident Cards.

Children, dependents (up to the age of 23), and extended family members living in the home may obtain La Quinta Resident Cards by providing one of the following:

- A. Student photo identification card and proof of residency such as a report card with the same address of the guardian as stated above; **OR**
- B. CDL with a La Quinta address and parents' utility bill showing the same last name; **OR**
- C. Legal documentation that child or dependent is the resident's dependent and proof of residency as stated above.

HOW DOES MY SIGNIFICANT OTHER PROVE RESIDENCY?

Each person must provide a CDL or CID with a La Quinta address or property tax record and one utility bill in his/her name. If he or she does not pay the utilities, two current bills such as credit card bills and bank statements with their La Quinta address must be provided.

IF I'M A LA QUINTA BUSINESS OWNER, DO I QUALIFY FOR THE LA QUINTA RESIDENT CARD?

Only residential units are eligible for a La Quinta Resident Card.
