

SANDPOINT AREA LENDERS –Residential Mortgage & Commercial

RECOMMENDED SANDPOINT AREA LENDERS – RESIDENTIAL AND COMMERCIAL

Scroll down: residential listed first, then commercial, finally CDA and Spokane

These are contacts that I have either done loans for myself, clients or my family, community affiliates, and /or have long term great reputations.

The first and most important step to purchasing a new home or business is to understand and be comfortable with your financing. Knowing what you can truly afford can expedite the buying process for you and educates me to find the properties that fit your needs and your purchasing decisions.
