

[Title 19 ENVIRONMENTAL PROTECTION](#)

[Chapter 19.08 TREE PRESERVATION*](#)

19.08.090 Use of explosives.

All persons engaged in felling or removing trees, and desirous of using explosives for this purpose within the city limits, shall first obtain approvals to use such explosives from the building division and the Foothill fire protection district which approval shall be noted on the tree removal permit prior to issuance of same by the city planner or planning commission. In addition, the applicant shall furnish such bond or insurance as shall be deemed necessary for the protection of surrounding property from any possible damage which might result from such activity. (Ord. 276 § 2 (part), 1986)
