#### What is Furnishing Hope?

Furnishing Hope was founded to provide a home-like environment for kids and families in stressful situations. Our recipients include qualifying new homeowners, young adults graduating from the foster care system, homeless veterans, and qualified families who have lost their home to fire.

With your donations, a network of designers and volunteers use their skills to transform the interior of each home; giving those in need the opportunity to experience life with the comfort of living in pleasant and cheerful surroundings.

#### How Can I Help?

OCAR and Furnishing Hope are looking for donations to assist in the furnishing of the 18 homes remaining in the Habitat for Humanity's “**Habitat for Heroes and Foundations for Families**” neighborhood. We are accepting monetary donations as well as gently-used furniture donations. The list at the left shows the items that are needed for each home.

#### Where Can I Donate “Gently-Used” Furnishings?

Please call (949) 644-9106 to arrange the drop off or pick up of any furnishings. Furniture must be pre-approved before drop off or pickup. Please send photos to [robyn@furnishinghope.org](mailto:robyn@furnishinghope.org).
