# Continuing to make a Difference!

---

On September 25<sup>th</sup> Habitat for Humanity of Orange County will dedicate 18 homes as part of the **"Habitat for Heroes and Foundations for Families"** neighborhood in San Juan Capistrano. At completion, this neighborhood will feature 27 homes, 14 of which are being set-aside for combat wounded veterans.

If you remember, REALTORS® and Affiliates from Laguna, Newport and OCAR raised close to \$260,000 to build and furnish one of these homes. Your contribution and support were critical to the success of this effort!

Between now and September's dedication, Furnishing Hope, a non-profit that capitalizes on the work of volunteer interior designers and "gently used" furniture donations, is accepting furnishings and financial contributions to create beautiful home like environments in the remaining 18 homes.

OCAR has committed to assist Furnishing Hope in their task of creating homes for 18 families who will become Habitat homeowners in September. *We need your help!*

As you assist your clients, work your farms, and chat with your family and friends, please spread the word about Furnishing Hope. When you come across "gently used" furniture donations please think of Furnishing Hope as the recipient of those items. Also, since each home will be furnished with brand new mattresses, couches and bedding, Furnishing Hope accepts financial contributions in the form of cash, check or credit card.
