

# City of Milton

During the early 1890's, a mill was constructed amidst towering evergreens on a hill overlooking the Puyallup Valley. The first settlement, known as "Mill Town", was made up of a handful of homesteaders and the lumber camp workers who furnished timber to feed the mill. The name became Milton only after the US Postal Service rejected the two-word Mill Town moniker. Residents were actually quite pleased with the change as the town was then named after the renowned poet.

Incorporated in 1907, Milton still enjoys its small town appeal. It is a quiet, peaceful community surrounded by fields, trees, open vistas and gardens. Its quiet atmosphere offers a welcome respite from the hustle and bustle of neighboring Tacoma, just ten minutes away. Through strong leadership, frequent community events, quality schools and strong relationships between citizens, business and city government, Milton has retained its picturesque charm and quality.
