Brian Icenhower earns brokerage manager designation

Brian Icenhower, managing broker and owner of Icenhower Real Estate, recently earned the prestigious Certified Real Estate Brokerage Manager (CRB) designation presented by the Council of Real Estate Brokerage

Icenhower

Managers. The CRB is recognized industry-wide as the measure of success nationally for real estate brokerage managers. Members earning this coveted designation have completed a rigorous and comprehensive program

combining experience with management education. Earlier this year, Icenhower was also honored by the United States Local Business Association (USLBA) as a member of the USLBA's Best Real Estate Brokers of 2008. Icenhower Real Estate has also been awarded the Better Business Bureau of Central California's 2008 Ethics Award of Excellence, repre-

senting the first Tulare County company in any industry to receive this honor that is sparingly awarded annually to companies throughout the San Joaquin Valley.
