

Hello Ellen,

Thank you *very very* much for the great job you did in selling the house. It was like a roller coaster ride that you handled like an expert.

Good Wishes for your future,

Dear Ellen:

Thank you for being such a great advocate for our family.

You did all that you promised plus more.

Your communication with each and every one of us was thorough.

I was especially impressed with your skills as an agent.

I have bought and sold many homes and never had an agent as involved as you.

As an agent you are hard to follow for excellence.

Thank you again.

Dear Ellen:

It has truly been a pleasure personally and professionally to work with each of you. I have the highest regards for the whole team. Tom and Ellen, you are top notch professionals and have put together a first-class sales team in Stanley, Cecilia and Alex (and I'm sure this is true of other George Realty staff as well)

You confirmed our judgments early on that both of you and your team were of the highest professional quality - and good people too! I'm glad we selected you. It was a true pleasure working with you and your team.

Warmest regards,
Bob
